M-F on the go

This was the year that President Nixon made an historic journey to China, that the building of the new Maroa-Forsyth Junior High School started, that we played all of our football games away from home, and that our basketball team won the Meridian Conference Tournament for the first time in the school's history.

He came to Maroa in 1948, a recent graduate of Millikin University, to coach not only football, but also basketball, baseball, and track as well as to teach American History, World Geography, and Boys' Physical Education.

Throughout his 24 years at MFHS he touched the lives of hundreds of students with his dedication and devotion, his sincerity and patriotism. He brought life and relevance to the events of American History; he coached his teams in sportsmanship and instilled the will to win.

Perhaps his greatest thrills were coaching his 1961 football team to an undefeated season and assisting Coach Herman Edwards in leading the 1957 basketball team to the Sweet Sixteen.

To the memory of a great coach and teacher, the Senior Class of Maroa-Forsyth High School dedicates the '72 Trojanaire.

Editor's Corner

We, the co-editors, present to you this 1972 Trojanaire in hopes that you will enjoy reading and rereading it in the future. We have done our best in trying to make this, the 58th annual published at Maroa-Forsyth High, the best ever.

Many times through the year we wondered if we would get all the pages in on the deadline. But the great cooperation of our staff and of our dedicated advisor, Mrs. Coen, enabled us to do so.

As we prepare the last copy sheet for this annual we look ahead to the future, but we hope you will never forget 1971-72 - the year that was.

Thank you,

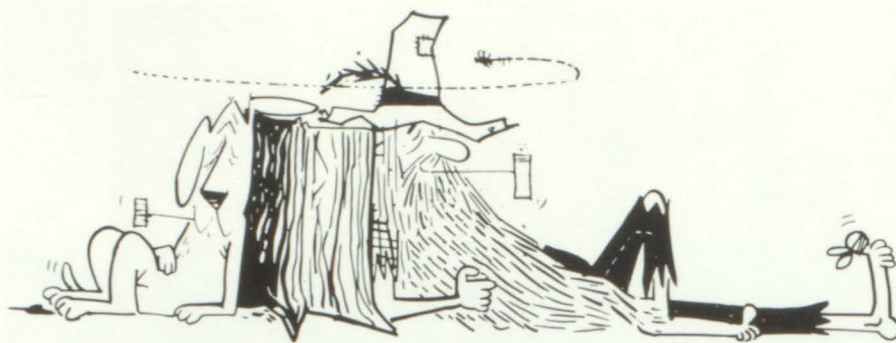

Donna Kapper

This was the year that
M. F. H. S. got a new principal.

With him came new ideas
and many changes for both
students and faculty.

A new dress code and
a more flexible exam schedule
made this a great year.

Looking to the future
they anticipate the completion
of the new jr. high school.

Superintendent

Congratulations to the Class of 1972!

Congratulations not only on a fine annual but also on your graduation from M.F.H.S.

As you start your careers you will be faced with many decisions - may you meet them with common sense and dignity.

Good luck and much success. It has been a pleasure to work with you.

Richard L. Irvin

Principal

I wish all of you success and good fortune in your future endeavors.

Enjoy your earned achievements, keep interested in your own career, and strive to be happy. Be on good terms with all persons without becoming vain or bitter.

This was the year that
the faculty saw a change
in M.F.H.S. New equipment aided
the teachers in presenting
their subjects more effectively,
while the new schedule
gave them more time to do so.
Eight student teachers came to
M.F.H.S. and with them the
pupil-teacher relationship
was strengthened.

Maroa-Forsyth High School is very proud of Mr. Melvin Nicol who was named Macon County Teacher of the Year.

This was the year that
the class of 1972 assumed new
responsibilities as it became
the senior class of MFHS.

During the fall
we enjoyed the building of
our last homecoming float, while,
spring brought the all important
senior trip. Foremost in our
thoughts were studies, graduation,
and plans for the future.

Four senior girls, Nancy Young, Carolyn Fyke, Lori Alexander, and Teresa Woodard, show that school is something to smile about.

Class History

In August, 1968, the doors of Maroa-Forsyth High School opened to welcome us, seventy-eight new freshmen, the class of 1972. A little scared, we respected those who knew more than we did and they soon taught us the rules that we had to abide by. One of our first moves was to elect our officers: Terry Walters as president, Terry Etnier as v.-president, Scott Warner as secretary, and Lynne Miller as treasurer. Our sponsors were Mrs. Berry and Miss Sullivan. Charlie Young was elected reporter and Lori Alexander and Rick Cox were our delegates to Pep Club. At Homecoming, we proved our greatness with our first place float, "Let's Whip Up A Victory." Diana Mashburn and Lori Alexander were our queen candidates. Joe Vaughan and Terry Walters were our king candidates. Initiation time came around, and we were once again laughed at. The girls dressed in boys clothes and the guys dressed in girls clothes. Never has anyone seen such good looking chicks in the Class of '72 - padding and all. The best time of the day, though, was when Carol Crouch popped her wheelies on the tricycle. Initiation over, and all of us back to normal, we started selling Christmas candles. These went over well and put a good sum in our treasury. In the spring, we nominated Carole Thomley and Terry Etnier as our Mardi Gras candidates. During the basketball season, we came through again with our undefeated freshman team. During the year we gained Dale Adams and lost Alice Erlenbush and Bob Walters.

Our sophomore year, we added Jenny Leonard, Cheri Luster, Carol Orrell, Debbie Thomas, and Gene Walker to our roll call, which had dropped to seventy-five. Terry Etnier was our president, Joe Vaughan, v.-president, Donna Kapper, secretary, and Lynne Miller served her second term as treasurer. Sponsoring us were Mrs. Berry and Mrs. Query. We worked hard on our homecoming float, "Record a Victory." Carole Thomley and Ginny Sullivan were nominated for queen, and Rick Cox and Verneil Leggett were nominated for king. Again this year, we sold Christmas candles to make some money. They were prettier than last year's and put a lot more into the treasury. During the year we lost Dale Adams, Carole Dickerson, Russell Gould and Mark Lake.

Freshman Float

Freshman Initiation

As Juniors in 1970-71, Terry Etnier was elected president, Terry Walters, v-president, Donna Kapper, secretary, and Kay Taylor, treasurer. Our sponsors were Mrs. Berry, Mrs. Query, and Mr. Boyd. Soon we were out selling magazines at every door, adding more and more to our growing treasury. At every football and basketball game, we popped popcorn and sold it along with candy and pop. This brought in some money, too, as well as a free pass to the game. The big project, of course, was the Prom. It was held at Southside Country Club in Decatur on May 1, 1971. Stately pillars decorated the rooms and a band from Blue Mound provided the music. Post prom was at The Bowl, where everyone was locked in the bowling alley until four o'clock the next morning. On May 9th, the Junior-Senior play, "The Mouse That Roared," was given with a lot of us in it and others helping behind the stage. During the summer we gained Sam Bridges.

Senior Float

We came back to Maroa in August of 1971 for the last time, as almighty seniors. Now we were the rulers! Scott Warner was elected president, Ted Garner, vice-president, Kay Taylor, secretary, and Pam Chenoweth, treasurer. During the year we gained Arlin Watson and lost Ben Logue, Fred Shipp and Terry Veach. Mrs. Berry was still hanging on as our sponsor, along with Mrs. Coen, Mr. Ritter, Mr. Brandt and Mr. Elston. Our Homecoming float entitled "Our Porpoise Is To Win," placed third. Carole Thomley and Verneil Leggett were nominated as queen and king candidates and they were chosen as the king and queen at the dance on Saturday night. On January 7, we served a sandwich supper before the Maroa-Illiopolis game. Many people came and enjoyed our sandwiches, homemade pies, and cakes. Our basketball team did great during the year and won the Meridian Tournament for the first time. During their four years of playing together, they never lost a game on our home court. That's great!!! As always;

WE ARE LOYAL,

WE ARE TRUE,

WE'RE THE CLASS OF '72!!!

Freshman Basketball Team

Class Prophecy

Well, here it is 1982. We have looked up the alumni of the Class of '72, to see what they are now doing with their lives.

CAROL CROUCH has taken Mrs. Dotson's place as the music teacher at the Maroa-Forsyth Schools. DOUG FAULKNER is playing the leading role in all of Hollywood's latest sport flicks. Motion Raceway has been taken over by Mr. Chevy - alias BILL NORFLEET and his partners LEIGH TURNER, MARK GREENE and JOHN LEACH.

LARRY DARLING is now the proud owner of the "Pat-Lar" Supermarket in downtown Maroa. DICK SCHWARTZ has joined his father on the high school board of education.

A plane can now be chartered daily from Maroa to Decatur or Clinton with SCOTT WARNER as the pilot, and CAROL ORRELL as the pleasant, smiling stewardess wearing hot pants on every flight.

JERRY IVERSON runs the Iverson Jr. Bootery Chain Store, at the south edge of Maroa where we see STEVE EAGLER and little ones waiting in line.

We have a booming Agricultural Store in Maroa now. I was happy to see PAM CHENOWETH as the head secretary. JOHN FENTON and BRIAN WALTERS were outside, selling farm machinery to customers.

BRAD ROBERTS is now selling insurance. He finds it much cheaper to own his own business.

The Boy Scout Leader is DAVE BRAGG who is a good friend of LYNNETTE MILLER who is the head Den Mother.

Weikles Apartments are quite filled these days with tenants who like to have parties every weekend. Those tenants are JENNY LEONARD, CHARLIE YOUNG, TERRY ETNIER, KAY TAYLOR, CAROL DAVIS, and RICK COX. DENNIS HOCKADAY and DAVE KENYON have turned Rigdon's Variety Store into one of the most booming "head stores" in Central Illinois. It's just across the street from KAREN JOHNSON'S Glove and Handbag Shop.

CINDY BARNETT is the biggest "supplier" of candy for kids at M-F High School.

When we went to visit DAVE THICKSTEN in the hospital, after his 19th wreck, we found LORI ALEXANDER taking his temperature. She loves being a nurse.

SAM BRIDGES has a petition going around town. He is trying to get old movies put back on television, such as "Sea Hunt."

We took time to eat lunch at the Red Door where ED DOAK is the "headwaiter" and BILL LAND provides the old fashion honky-tonk piano music. SCOTT WINDLAN keeps order around the place by being a bouncer.

The Penny's Store is doing a good business with VERNEIL LEGGETT as their "Byers' Assistant."

We didn't see DONNA KAPPER, but we hear she is busy campaigning throughout the nation. She may be our next President of the United States. We have a good feeling that Donna might be elected because DAN JENNINGS writes all of her speeches.

CAROL THOMLEY'S smiling face is on many of the billboards, advertising Diet Candy.

GINNY SULLIVAN now lives in Florida. She is in charge of training porpoises in a Gulfarium Show. There is one little untamed porpoise which is her favorite. They call him - "Phlipper."

ARLIN WATSON now keeps our city safe because he has been appointed chief of police. Arlin gave ROYAL PLANKENHORN a job directing traffic in downtown Maroa.

If you need a cute little pet for your home, go to JOE VAUGHAN'S Minner Shop. Joe has a rare type of bull frog for sale. He calls all of them Jeremiah.

Make sure you don't miss the next episode of Roller Derby! JANE HANES will be racking up the points for the Midwest Pioneers. Jane bought her famous skates at "TED GARNER'S Variety Store" where he specializes in sleds!

ROBIN HASSINGER has been made an honorary Indian since she loves T.P. 's. Especially T.P. trees.

Maroa's beautiful Park District is looked after by TERESA WOODARD. But some people have been complaining because the only kind of tree she allows in the park is "Oak" trees.

RUTH GRIFFIN is still attending the ball games as a faithful citizen taking home the spirit trophy every year. JOY YUNDT and BEV MATHEWS are still working as steady ticket takers at the ball games.

Mrs. Coen sure appreciates her typing helpers who are JANET FEAR and CHERI LUSTER. JEAN SIMPSON, JANET SHIREY, and CAROLYN FYKE now work in a shop on the Square in Clinton. They find it saves gas that way.

MARK CARDER, when taking his break from pushing carts around at Turn Style, eats at the Red Wheel where JACK EDWARDS is the head cook. MARTY SEABERG is now the union head of sack boys for Tolly's in Decatur.

ALLEN FLETCHER is the "carrier" for LINDA HUMPHREY'S newspaper. DONNA MARXMAN is also on the staff at Linda's Newspaper Office.

The big city of Maroa now has a taxi cab service. ELAINE LEINHART is the only cabee who drives a Cougar.

DEBBIE MORRIS and NANCY YOUNG are in charge of the new nursery school in Maroa.

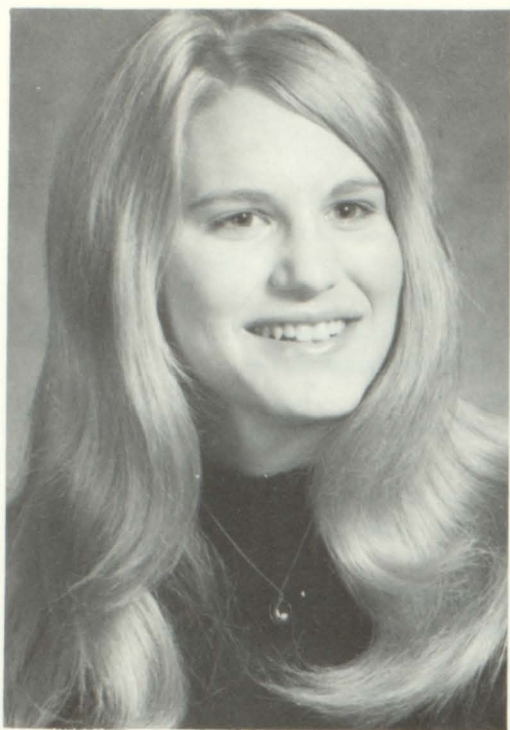

DIANA MASHBURN and TERRY WALTERS are now professors at Yale University. All of that hard work in high school finally paid off.

A new gas station is being built in town. JIM SCHNEIDER and JIM SPRIGGS are partners in this new business. They are trying to employ MIKE ZOMBRO to work under cars so they won't have to buy a lift.

After finding out what the old Class of '72 was up to these days, we decided to leave town and head for home. On the way out of town we passed Mason's Restaurant and heard the voice of an auctioneer. Mason's was being auctioned off!! Guess who the auctioneer was? You're right! It was CARMEN PRICE.

It was good to see all of the old gang and what they had been doing these past ten years. I wonder what the next ten years will bring?

Junior Activities

Top Magazine Salesmen

The Junior Class started the year by electing their class officers which were Jane Sanders, Pres., Tom Riley, V. - Pres., Robbie Christman, Sec., and Jill Taylor, Treas. Their Homecoming float received second in the Homecoming Parade in October.

During the basketball season the Junior stand was always open selling popcorn, pop, and candy.

The magazine sales were very successful this year and Tina Ferrill, Becky Byers, Mark Chenoweth, and Nancy Harrelson were the top four salesmen.

The highlight of the Junior year was the Junior-Senior Prom held at the Sheraton Inn on May 6th.

This was the year that activities played a major role in each student's life. The most memorable activity is different for each student. These activities are the product of the great efforts of the students to better student life. Without these activities, boredom would surely dominate the school year.

At the homecoming dance, King Verneil and Queen Carole lead their court in the first dance.

Homecoming Week

Homecoming Week 1971 started out on the right foot with no school in commemoration of Columbus Day. This gave the students a chance to start their floats, and it also gave the band time to practice for their half-time routine which was presented Friday at the Homecoming game at Assumption.

The student council set aside the rest of the week with the Roaring Twenties Day, Mixed Schedule Day, and Blue and Gold Day which were designed to arouse spirit in the school. Wednesday was the Roaring Twenties Day and students came to school dressed in the fashions and fads of the period. As you can see from the pictures many notorious criminals of the day also made their appearance. Bonnie Woodard, Al Capone Walters, and Ma Barker Kapper were just a few of the characters that showed up at school. Of course, there are always those who don't follow instructions, such as Mr. Ritter, who was put in jail for not being properly dressed.

October 12-17

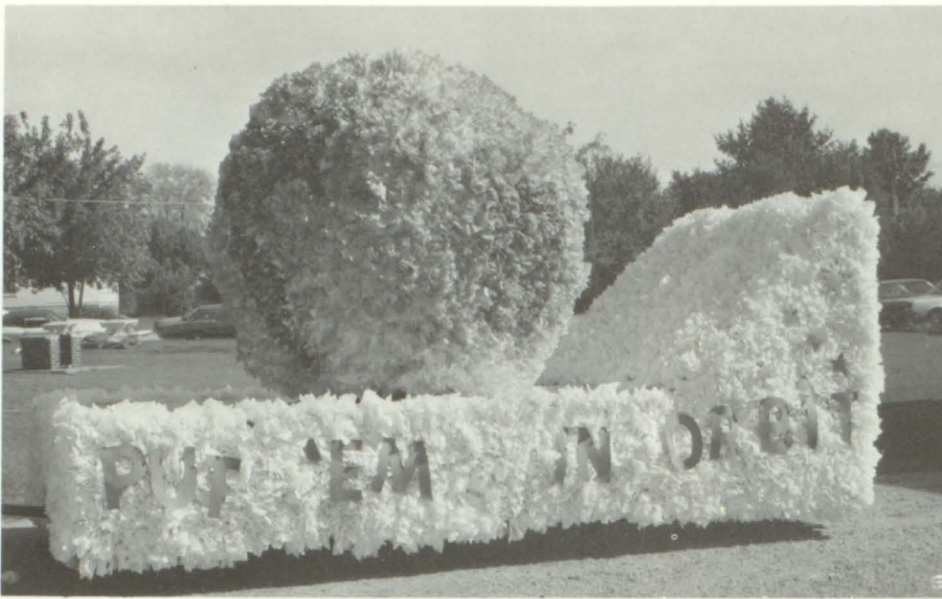

Thursday was mixed schedule day which proved to be quite exasperating for the freshmen. They were just now becoming accustomed to the regular schedule when we changed it all around. It was quite fun to change and really broke up the monotony of the regular school day.

Finally the big day arrived. In accordance with Homecoming the day was called Blue and Gold Day which is our school colors. The day was beautifully clear and warm - perfect for the Homecoming parade at 2:30 P. M. The parade started out from the high school and progressed through town to the grade school. The FFA-FHA float, with the theme, "Put Them In Orbit," won the float competition. The mighty Trojans traveled to Assumption for the game that night hoping to bring home a victory, but the Comets proved too powerful and foiled our Trojans 14 to 6.

On Saturday night the Homecoming Dance was held with the theme "Love Is Magic." Funkey Magic, a band from Decatur, provided the music. Verneil Leggett and Carole Thomley were crowned King and Queen at the coronation. At 11:00 P. M., when the dance ended, the activities of Homecoming Week 1971 became a memory.

'The Mouse That Roared'

Ruled by the Duchess Gloriana, the Dutchy of Grand Fenwick declares war on the United States, hoping for aid when they are defeated. Heading up the expeditionary forces, Tully Bascomb wins the war, much to the chagrin of Gloriana's advisors, David Benter and Count Mountjoy. Among the prisoners of war, Tully captures Professor Kokintz, builder of the Q-bomb, the most powerful weapon ever created. When America tries to get the bomb back, Tully declares that the bomb is a "peace-weapon," ending all war.

This was the year that athletics dominated the school news. Athletics unified the students by providing them with a common goal - support of the team. With the plans for new facilities, our skill at sports should improve to its highest degree. Our teams will continue to be on top with our great coaches.

Ted Garner illustrates the winning technique.

Maroa Wins Jamboree At Argenta

Argenta

Maroa - Forsyth High School which hadn't won a football game since Oct. 31, 1969, surprised Tuesday night by winning the Argenta - Oreana jamboree.

Maroa won with a 2-0-1 record. Favored Niantic - Harristown was second with 1-0-2, followed by Argenta 1-1-1 and Warrensburg - Latham 0-3.

The only blemish on Maroa's record was a 0-0 tie with Niantic. Coach Bob Smith's boys beat Argenta 8-0 and Warrensburg 20-6.

Niantic, which tied Argenta 8-8 and Maroa, beat Warrensburg 6-0. Argenta beat Warrensburg 6-0.

Dennis Phipps and Rick Cox each scored two touchdowns for Maroa. Phipps scored on touchdown runs of 73 yards and one yard. Cox countered with two one - yard plunges. Cox also ran two point conversions to top the jamboree scoring with 16 points.

Phipps, though, quarterbacks brilliantly and picked up several nice gains around end.

72

This was the year that
advertisers gratefully responded
to our need. Without these
people, the 1972 Trojanaire
would not exist. Through their
generosity we were able to
produce this fine volume of
experiences and memories.
The Trojanaire Staff would like
to extend their warmest
appreciation to those involved.
